Jade Road in Kingdom City now open at Sallees Creek
North Outer Road 70 remains closed

JEFFERSON CITY, Mo. – The non-continuous segment of South Outer Road 70 (Jade Road), just west of Kingdom City, is now open.

Construction crews working with the Missouri Department of Transportation closed Jade Road at Sallees Creek in May 2025 to begin replacing the large culvert runs under Interstate 70 and both outer roads. With the portion of the culvert underneath Jade Road and I-70 complete, Jade Road reopened to all traffic on Dec. 19, 2025.

Work continues on the portion of the culvert that runs under North Outer Road 70 at Sallees Creek, and that roadway is expected to remain closed through February 2026. All work is weather-permitting, and schedules are subject to change.

MoDOT asks all motorists to work with us by buckling up, putting your phone down, obeying all traffic signs, and slowing down and moving over in work zones.

This work is part of the first project in MoDOT's Statewide Improve I-70 Program, Improve I-70: Columbia to Kingdom City, which will add a third lane of travel in each direction to the 20-mile stretch of I-70 between Columbia) and Kingdom City. This $405 million fixed-cost contract includes new pavement on all three lanes of I-70 and will also make interchange improvements to the I-70 interchanges at U.S. Route 63 and U.S. Route 54.

Missouri's FY2024 budget, approved through the state legislative process and governor provides, $2.8 billion in General Revenue to build a third lane of I-70 across the state. The program will plan, design, construct, reconstruct, rehabilitate, and add a third lane in each direction on nearly 200 miles of I-70, from Blue Springs to Wentzville. For more information on the Improve I-70 Program and to sign up for program e-mails, visit http://www.modot.org/improvei70.
